## STEP 3 — Platform introduction

You can read the onboarding screens, but this is optional.

**01** In the KYC section, click **“Next”** (yellow button, bottom right).

**02** In the Quote section, click **“Next”** (yellow button, bottom right).

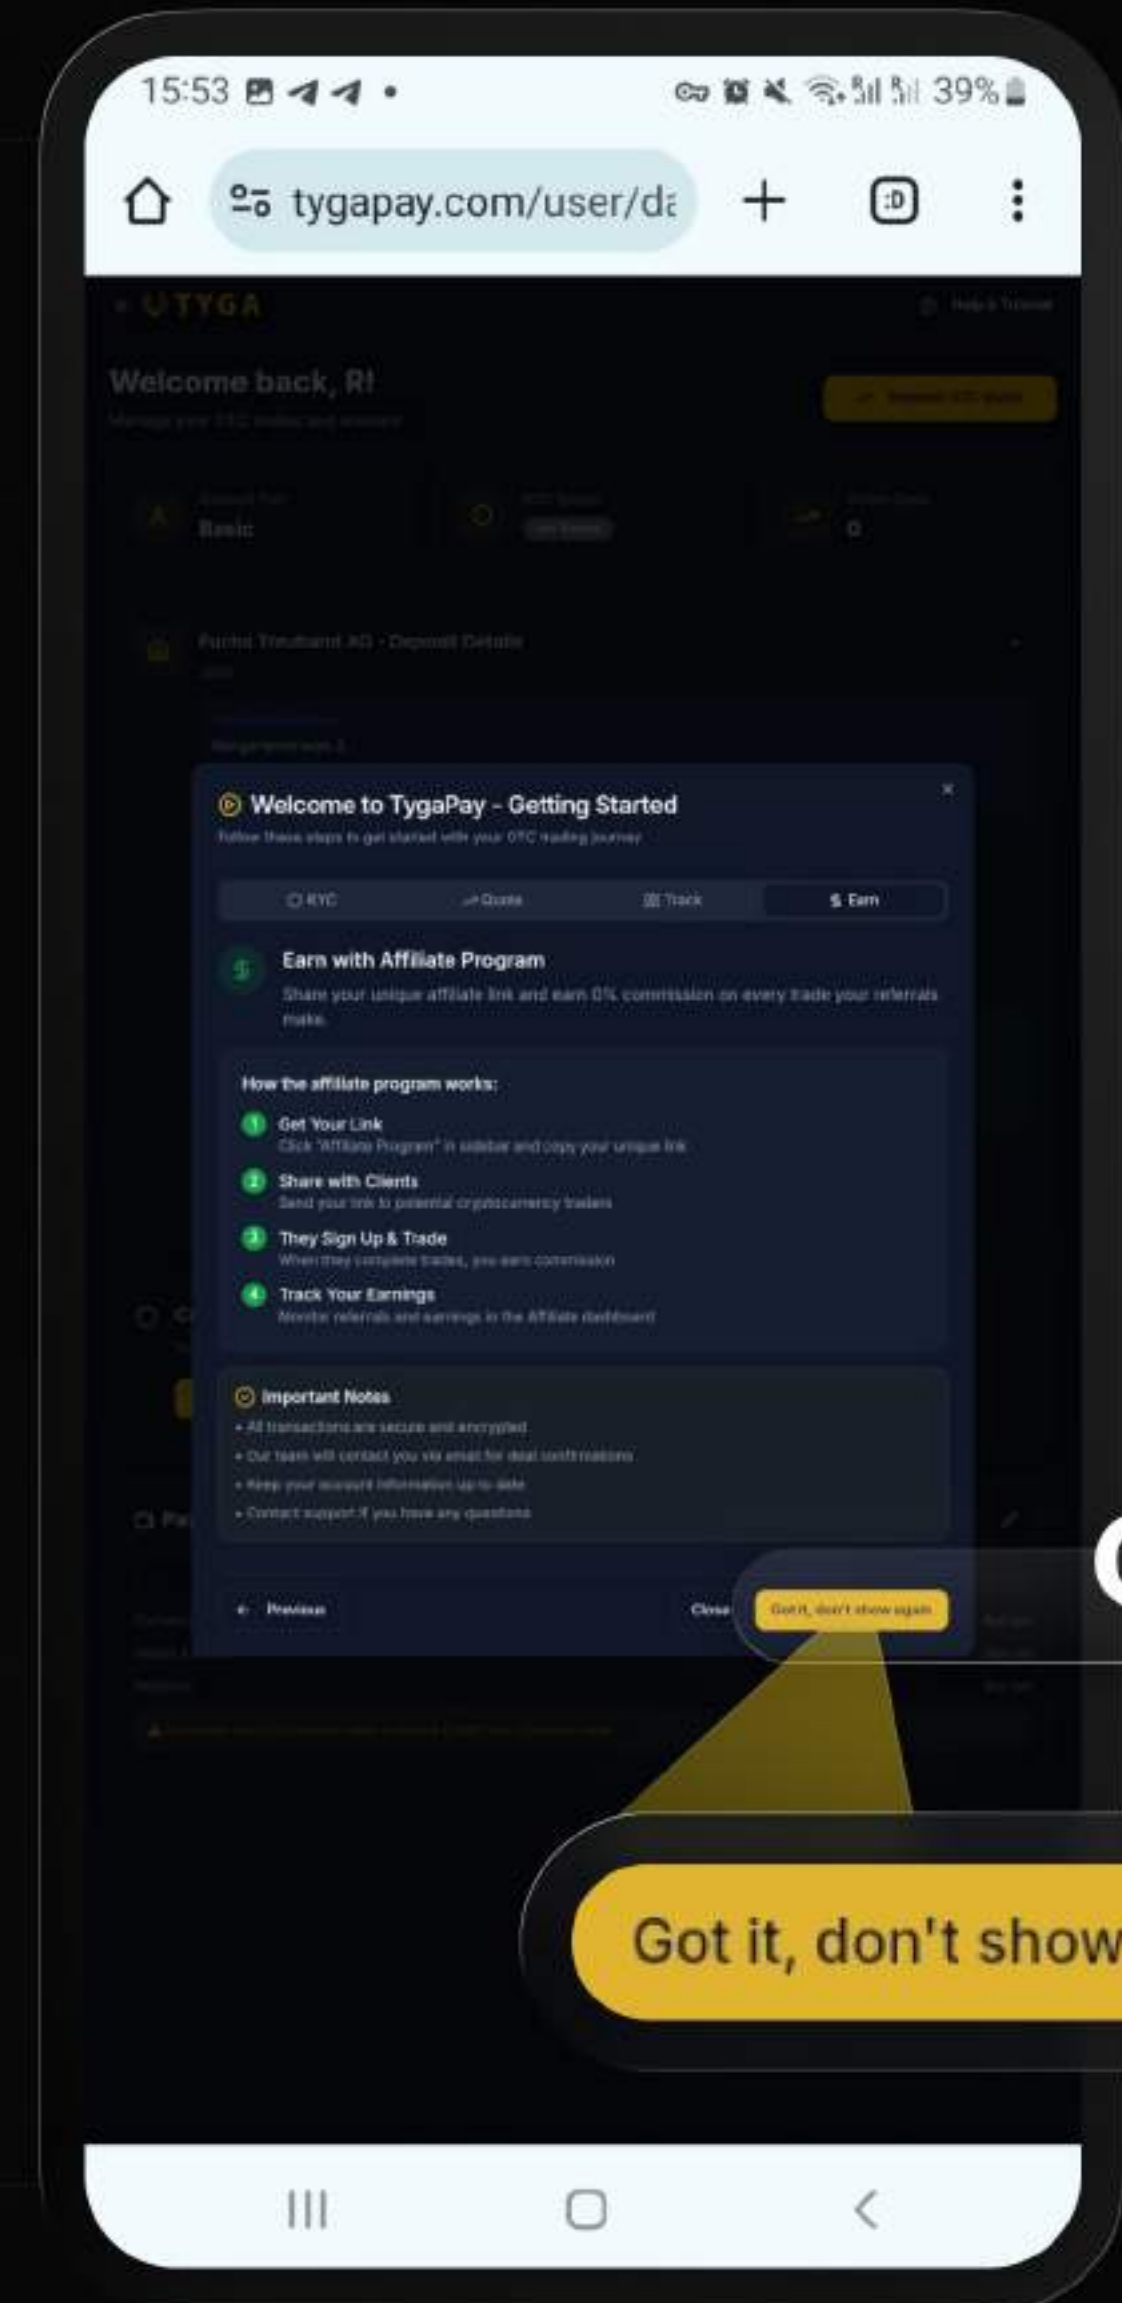

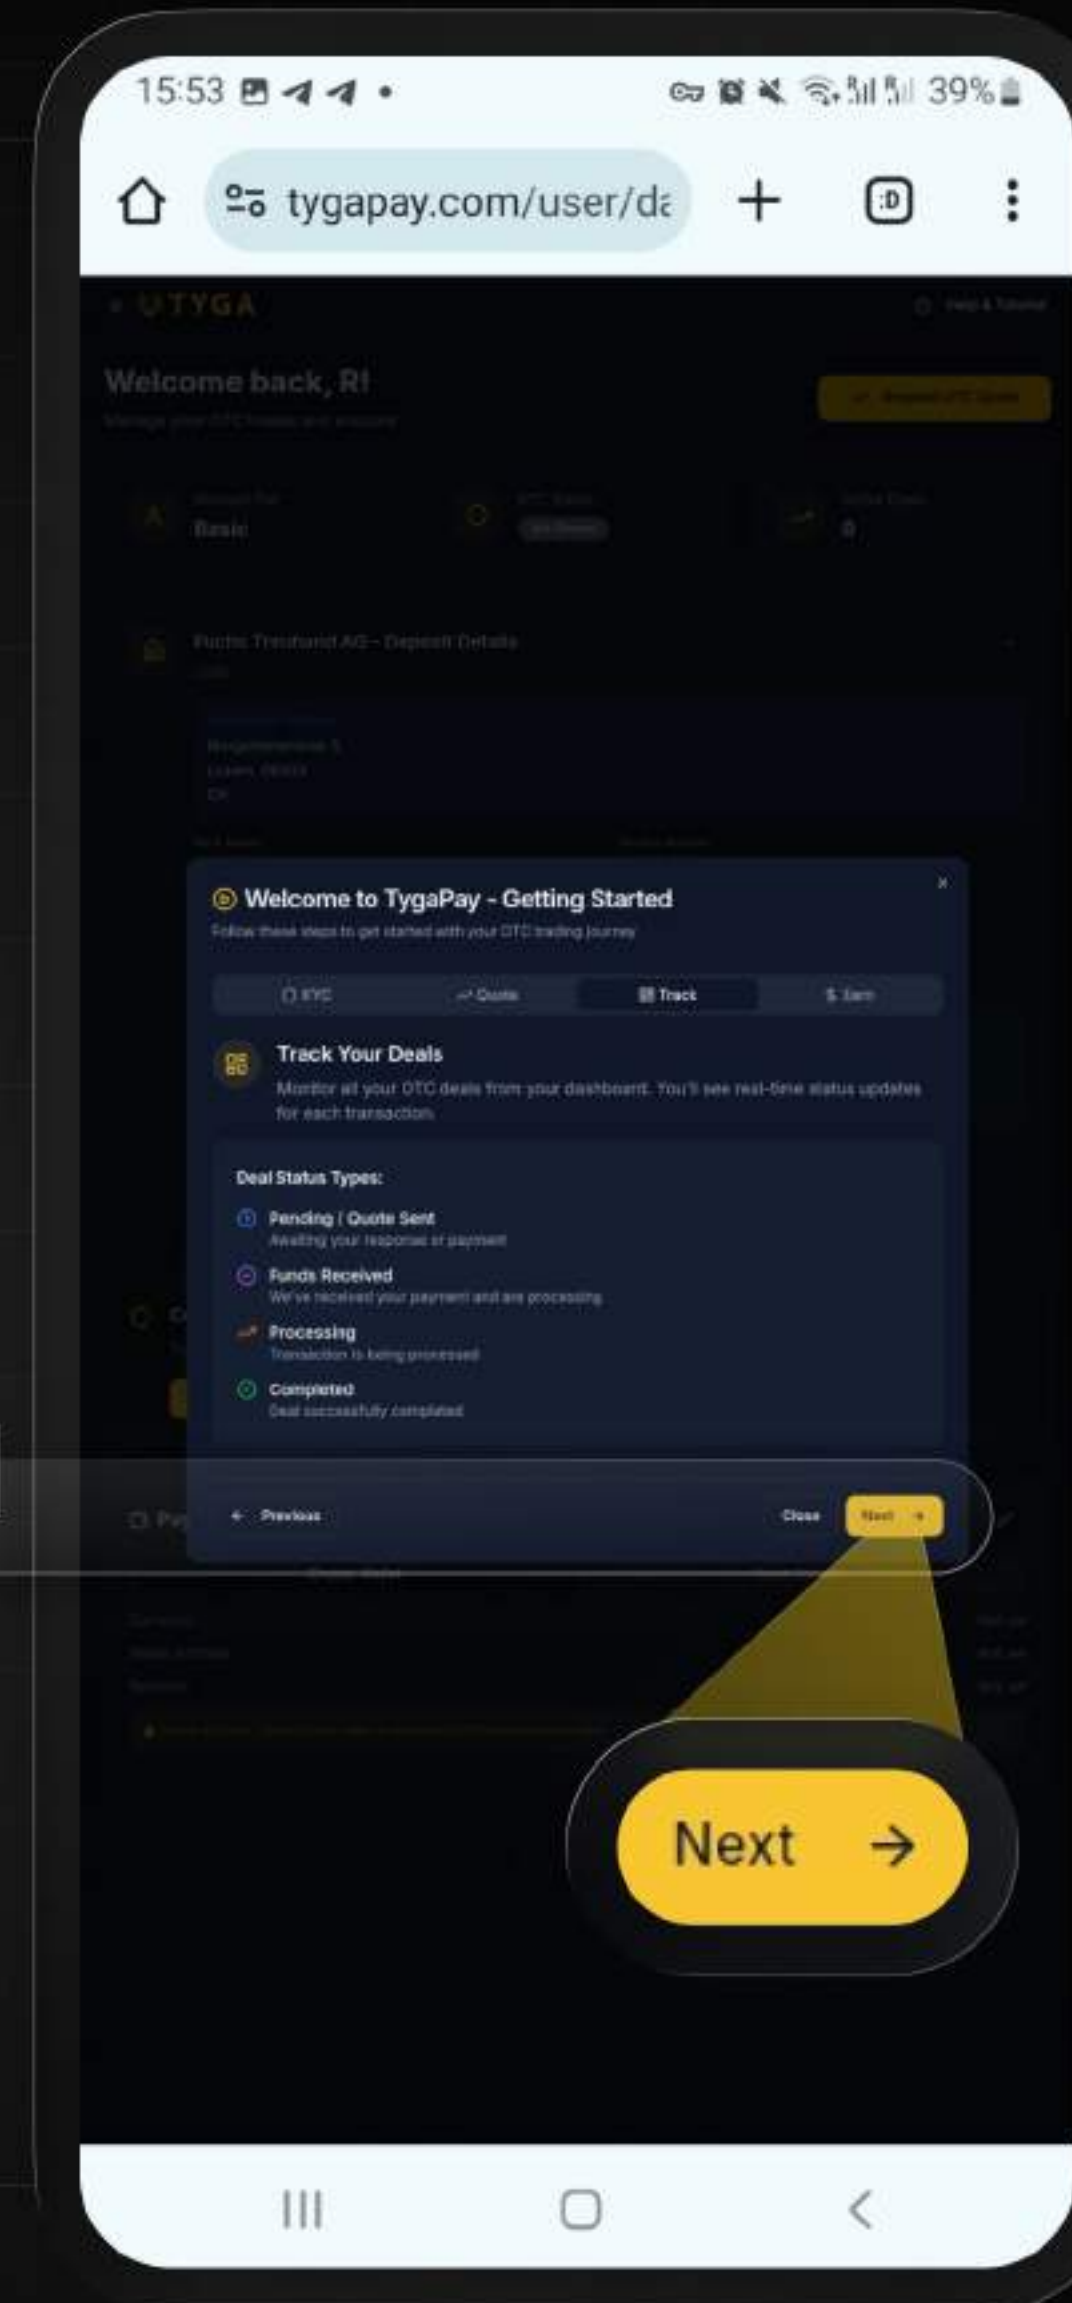

## STEP 4 — Platform walkthrough

You can read the information, but it is optional.

**01** In the Track section, click **“Next”** (yellow button, bottom right).

**02** In the Earn section, click **“Got it, don’t show again”** (yellow button, bottom right).

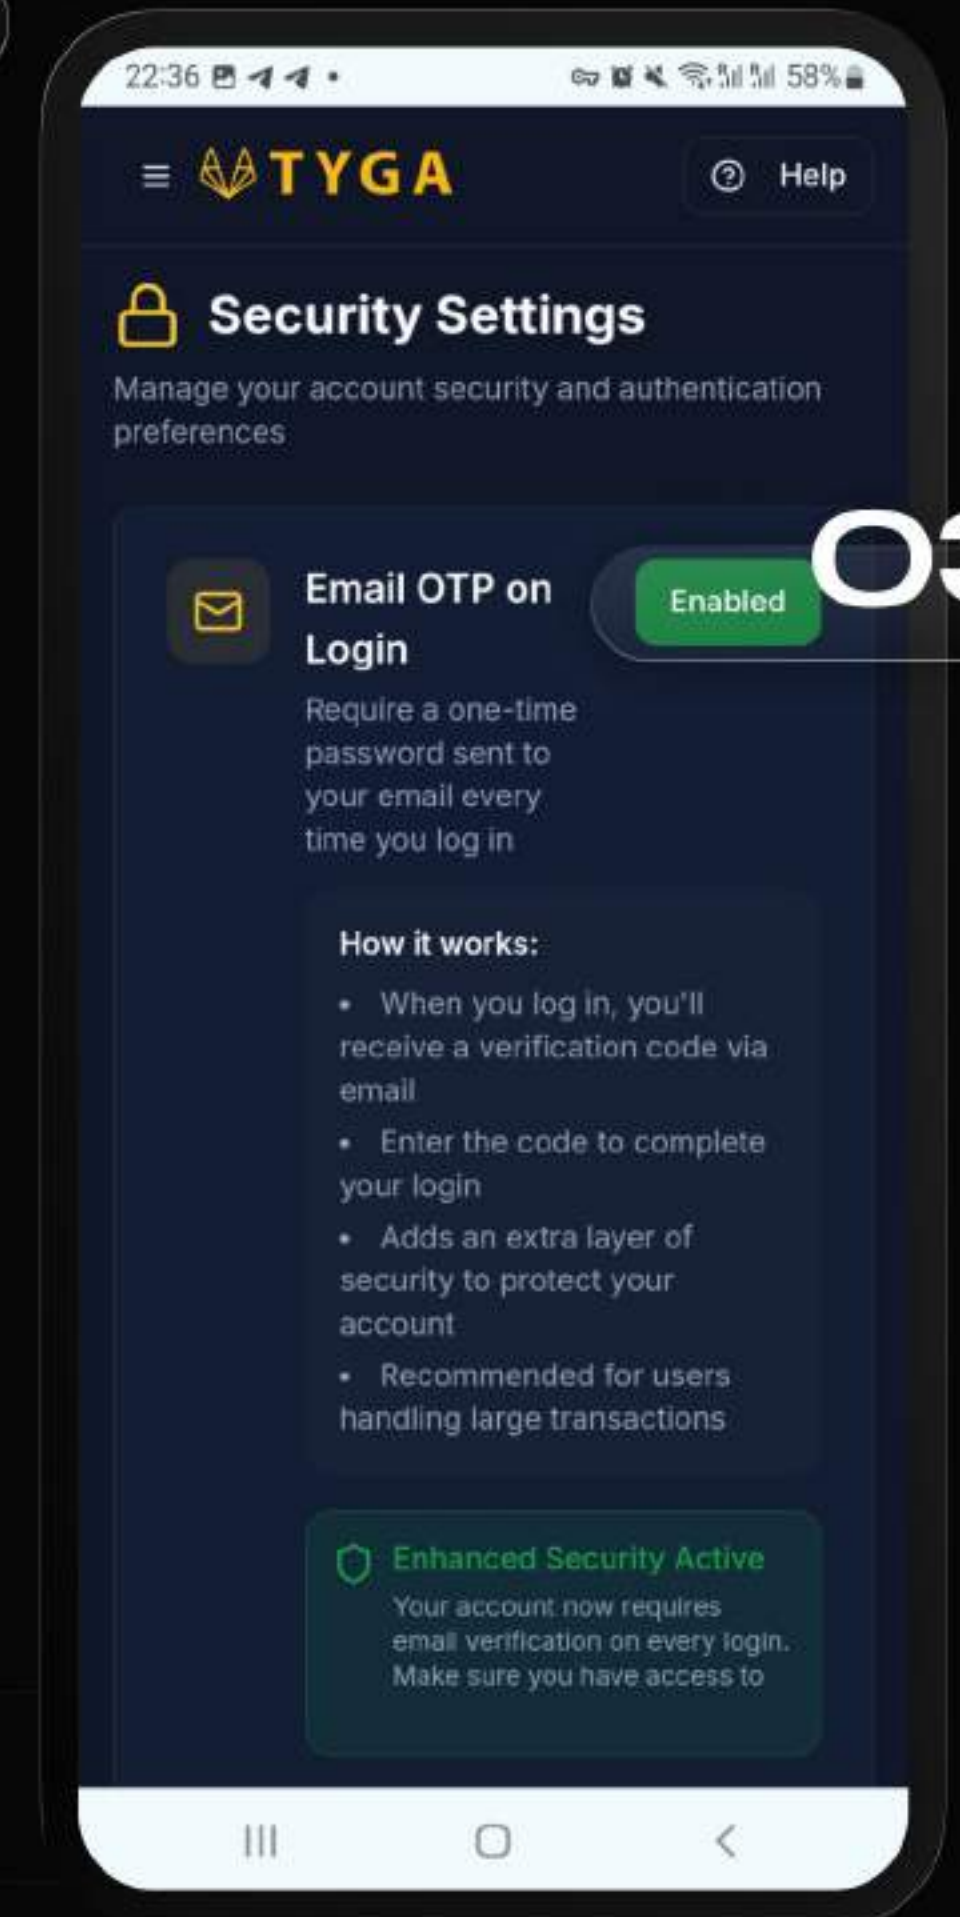

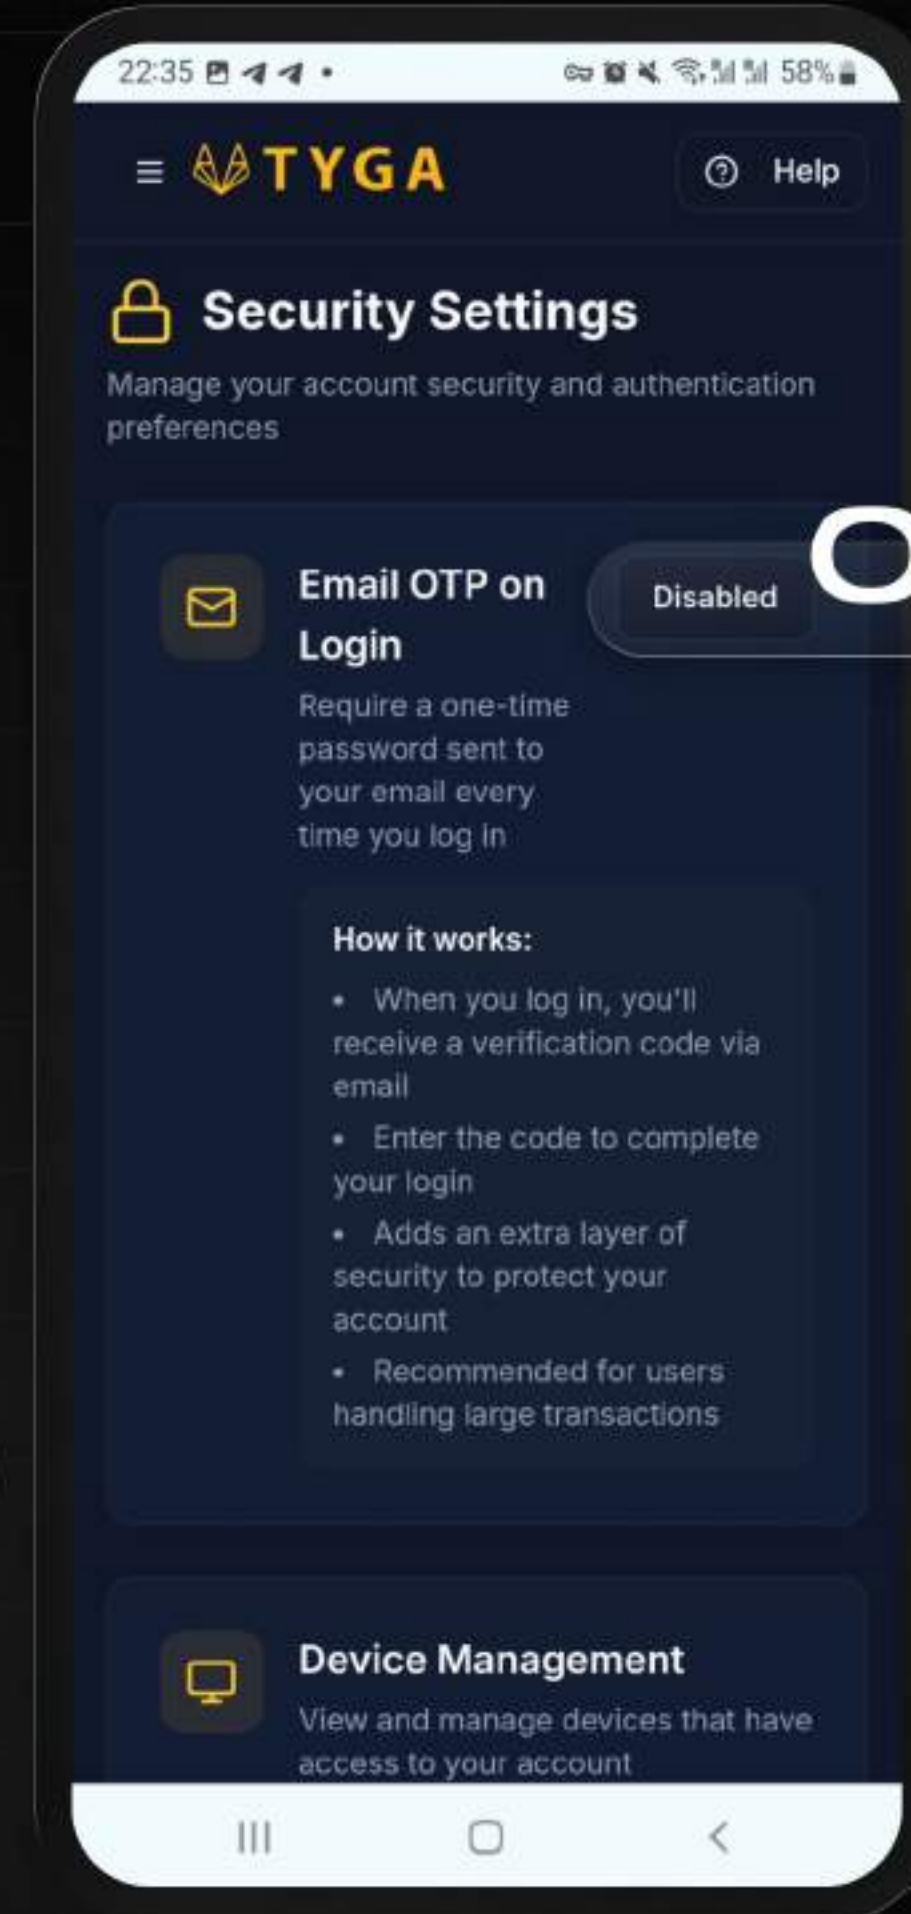

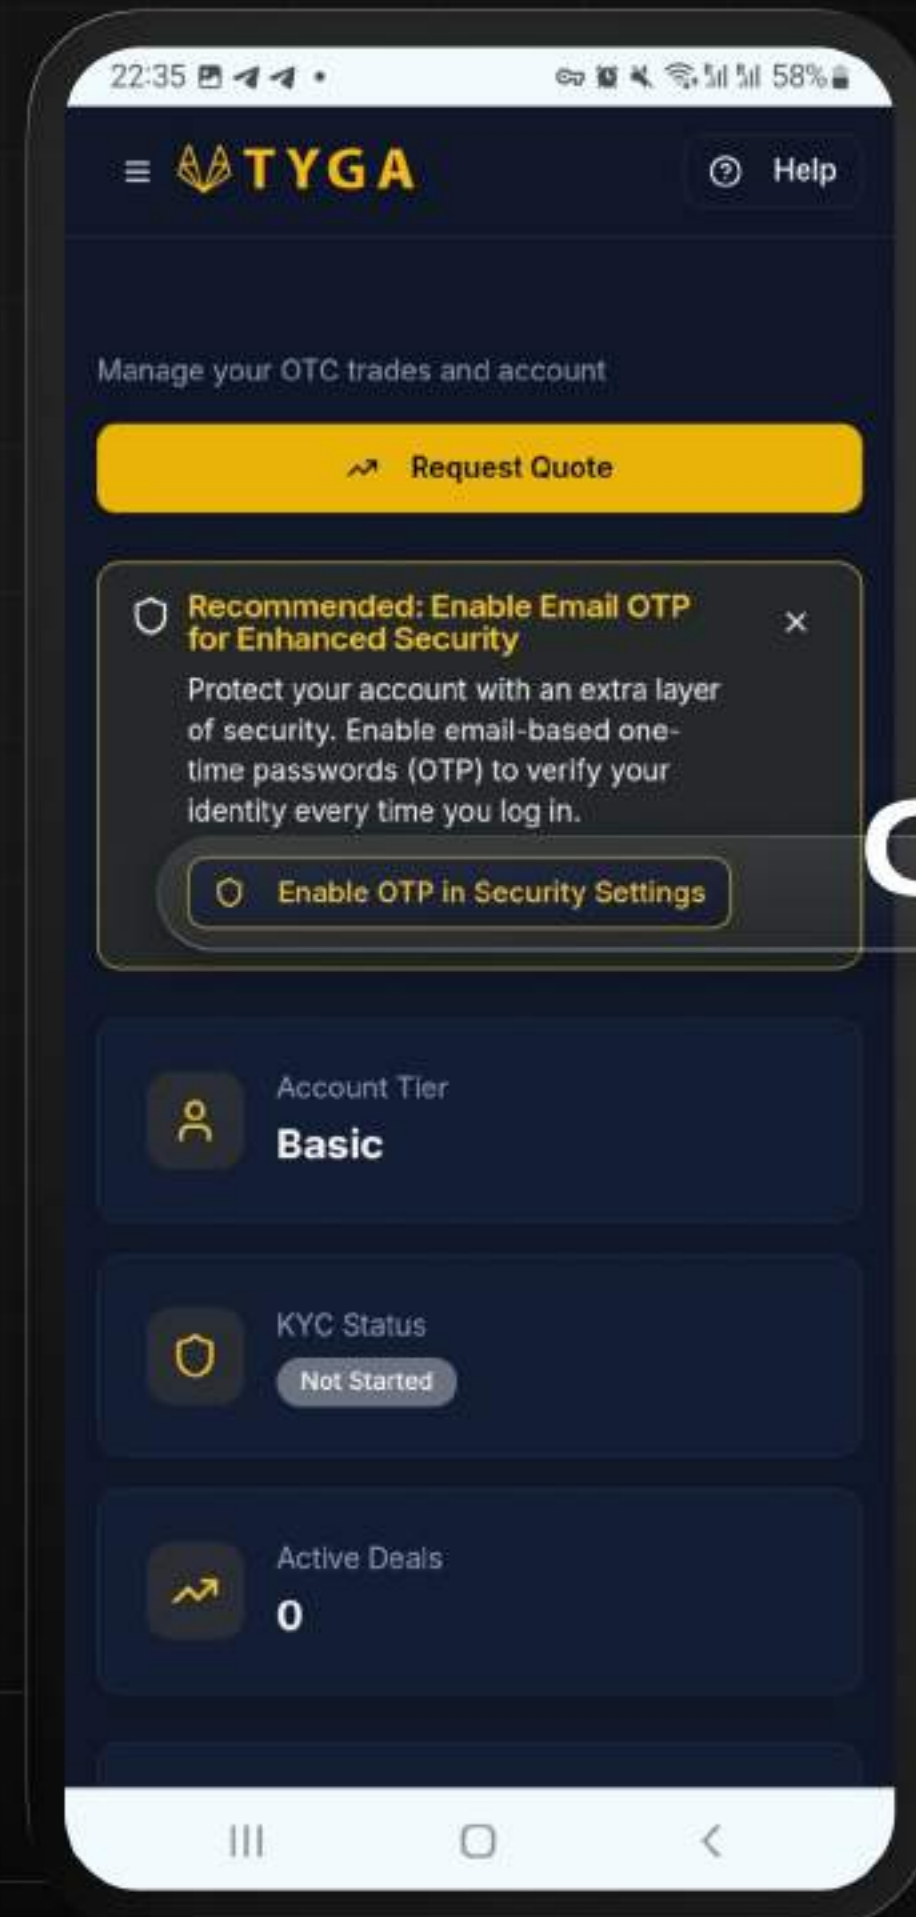

## STEP 5 — Secure your account

To protect your TygaPay account:

**01** Click “Enable OTP in Security Settings”.

**02** Click the “Disabled” button.

**03** When the button turns green and shows “Enabled”, your security setup is complete.

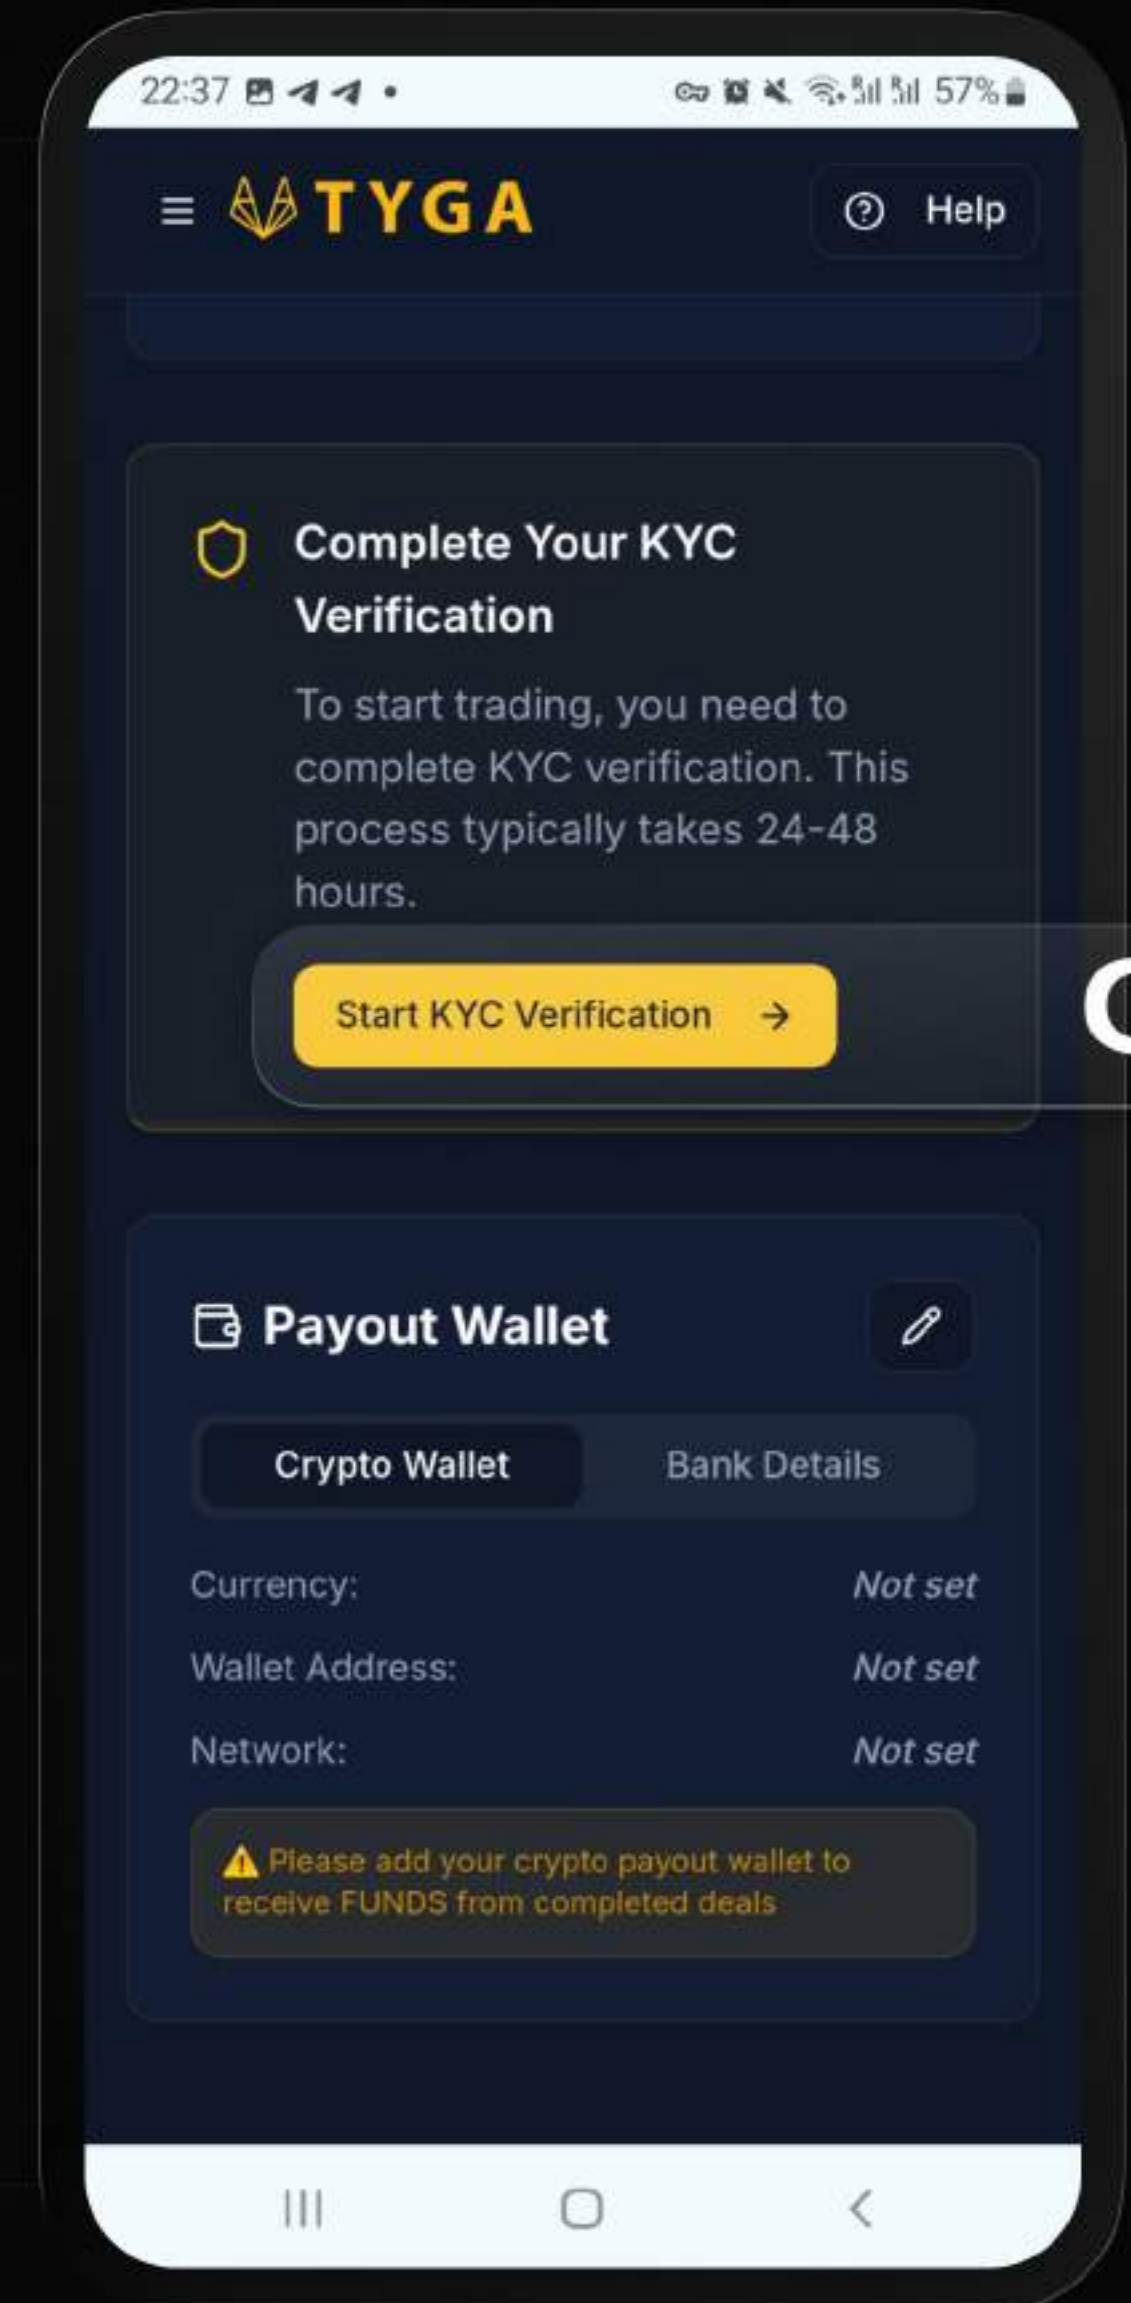

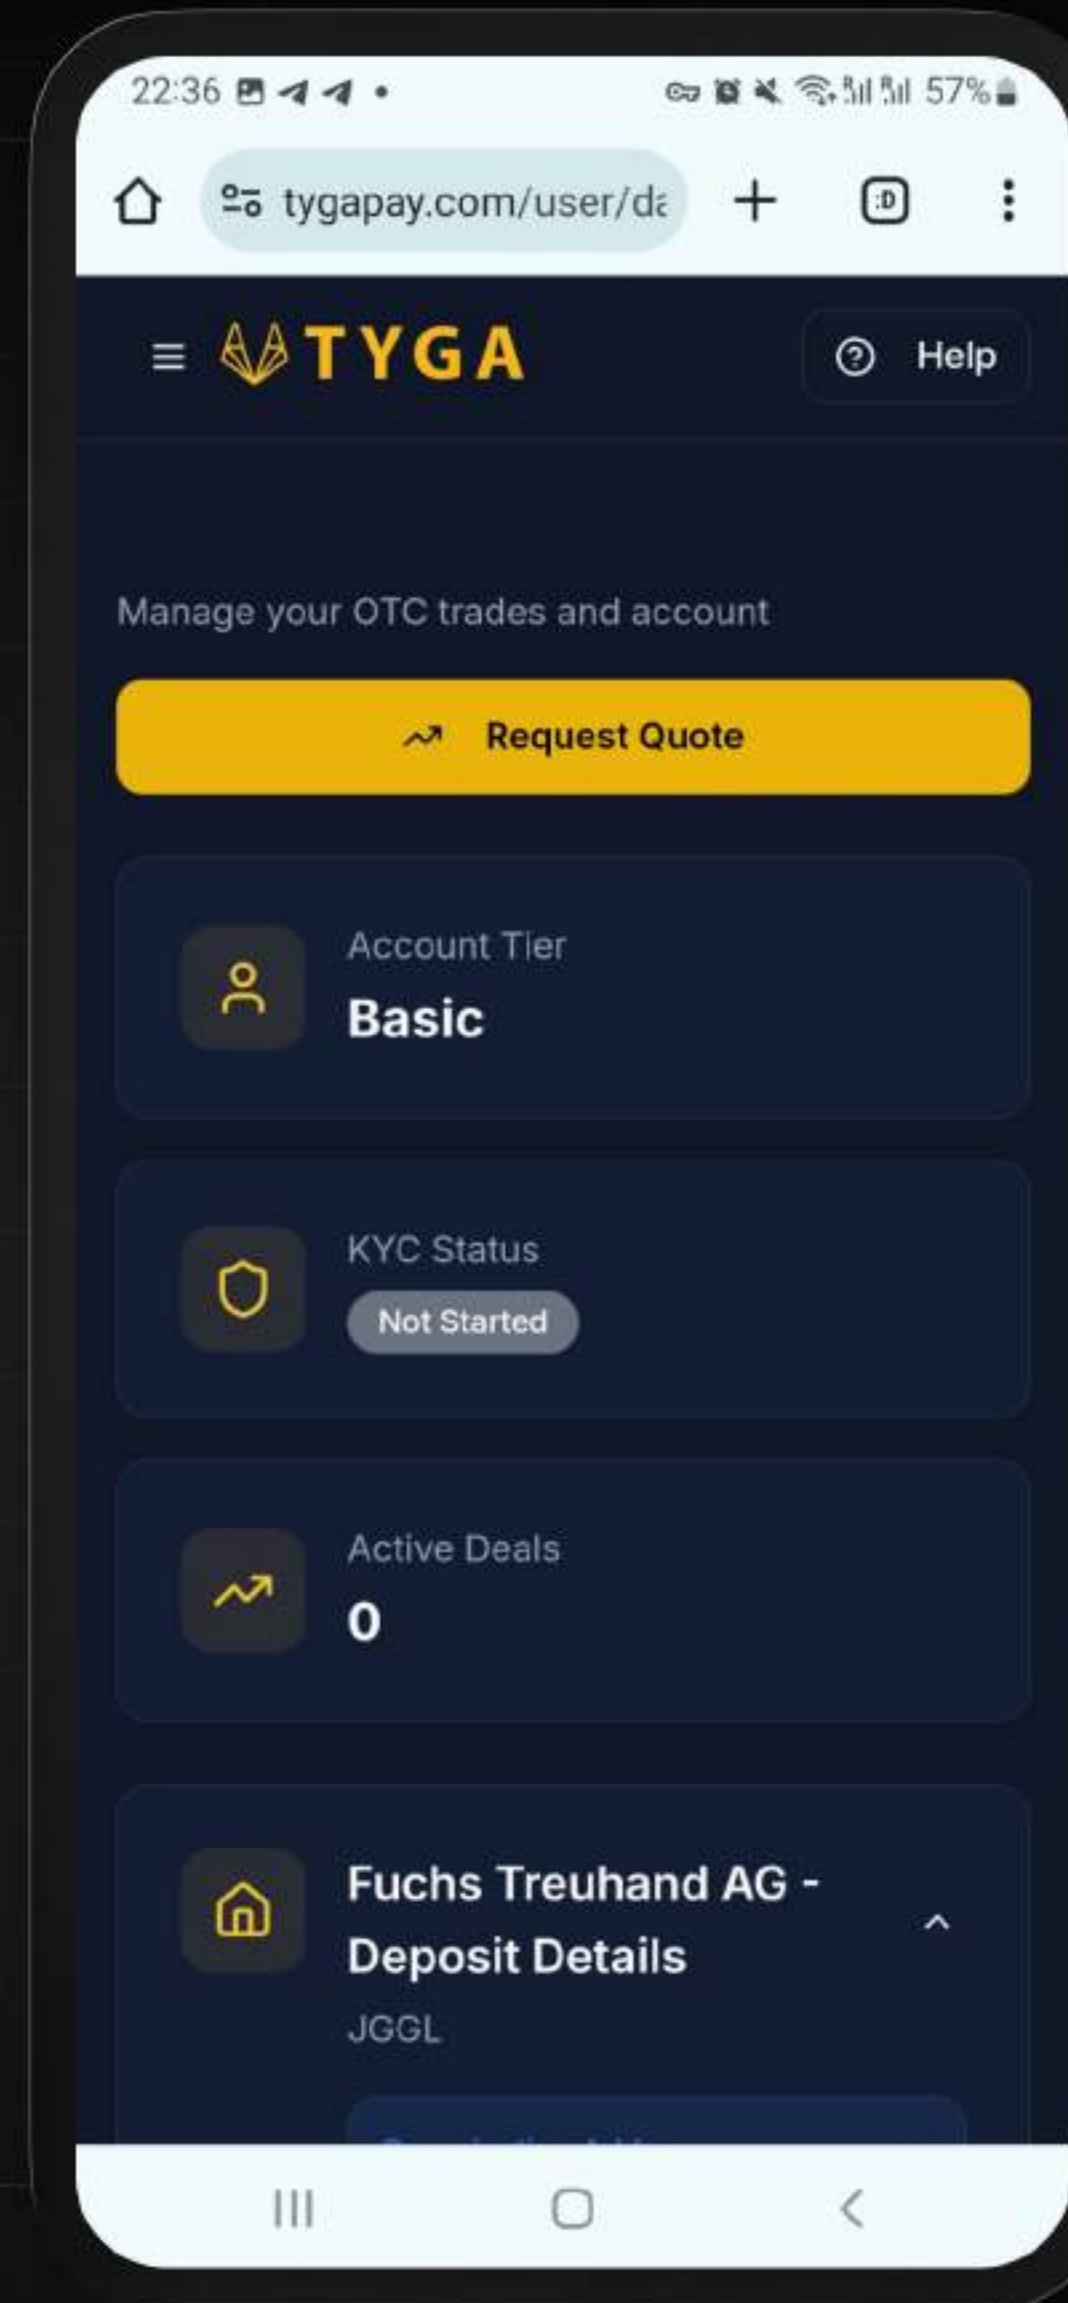

## STEP 6 — Start KYC

This is your TygaPay profile screen.

**01** Scroll down until you see **“Complete Your KYC Verification”**.

**02** Click the yellow **“Start KYC Verification”** button.

**01**  
Swipe

**02**

## STEP 7 — Complete identity verification

To submit your KYC:

**01** Fill in “**Personal information**”.

**02** Fill in “**Address**”.

**03** Upload or take a photo of your **identity document**.

**04** (Optional) Upload a proof of address.

**05** Upload or take a clear photo of your face with good lighting.

**06** Click “**Submit KYC Application**” (yellow button at the bottom).

The image displays two smartphone screens from the TYGA app, illustrating the KYC verification process. The left screen shows the 'KYC Verification' form, and the right screen shows the 'Documents' section. Numbered overlays (01-06) indicate the steps described in the text.

**Left Screen: KYC Verification**

- 01** Personal Information: Full Legal Name \* (John Doe), Date of Birth \* (dropdown).
- 02** Address: Street Address \*, City \*, State \*, ZIP Code \*.

**Right Screen: Documents**

- 03** Government ID (Passport or Driver's License) \*: Passport (Camera, Gallery), Driver's License (Camera, Gallery).
- 04** Proof of Address (Utility Bill - Optional): Camera, Gallery.
- 05** Selfie for Verification \*: Camera, Gallery.
- 06** Submit KYC Application (yellow button at the bottom).

## STEP 8 — Add your USDT wallet

Under the KYC section,  
find **“Payout Wallet”**.

**01** Currency / Token: **“USDT (Tether)”**

**02** Enter your TronLink wallet address in  
**“Wallet address”**.

**03** Network: **“Tron (TRC-20)”**

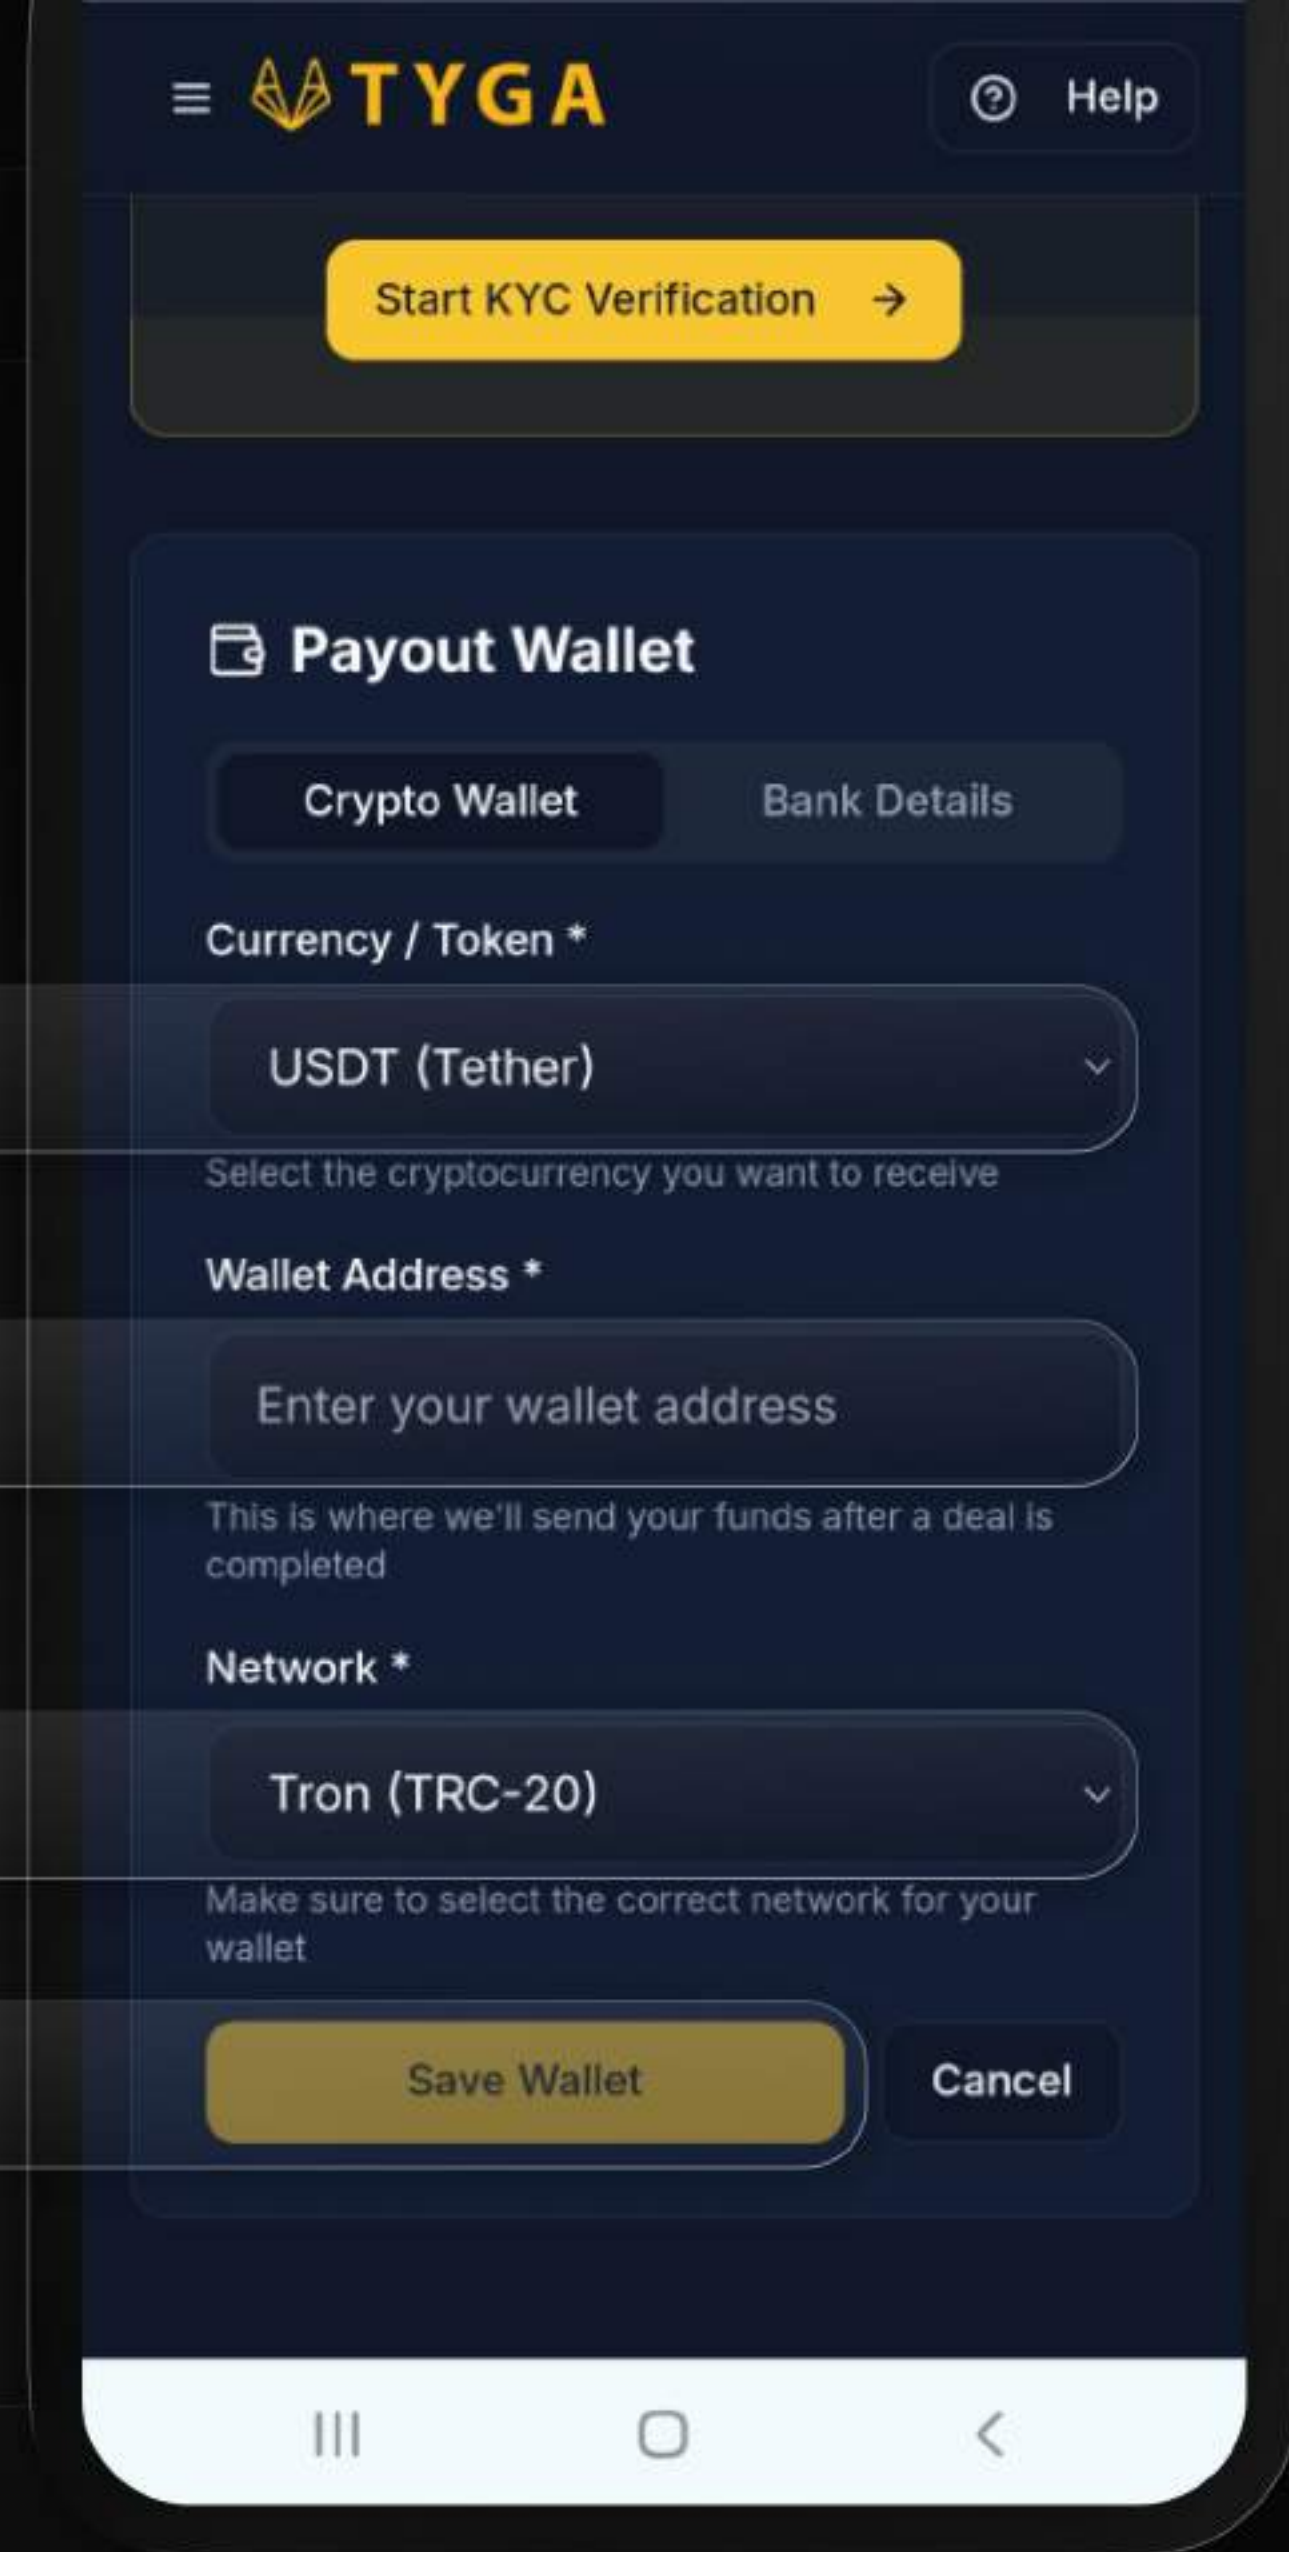

**04** Click **“Save Wallet”**  
(yellow button, bottom left).

## STEP 9 — Request an OTC quote

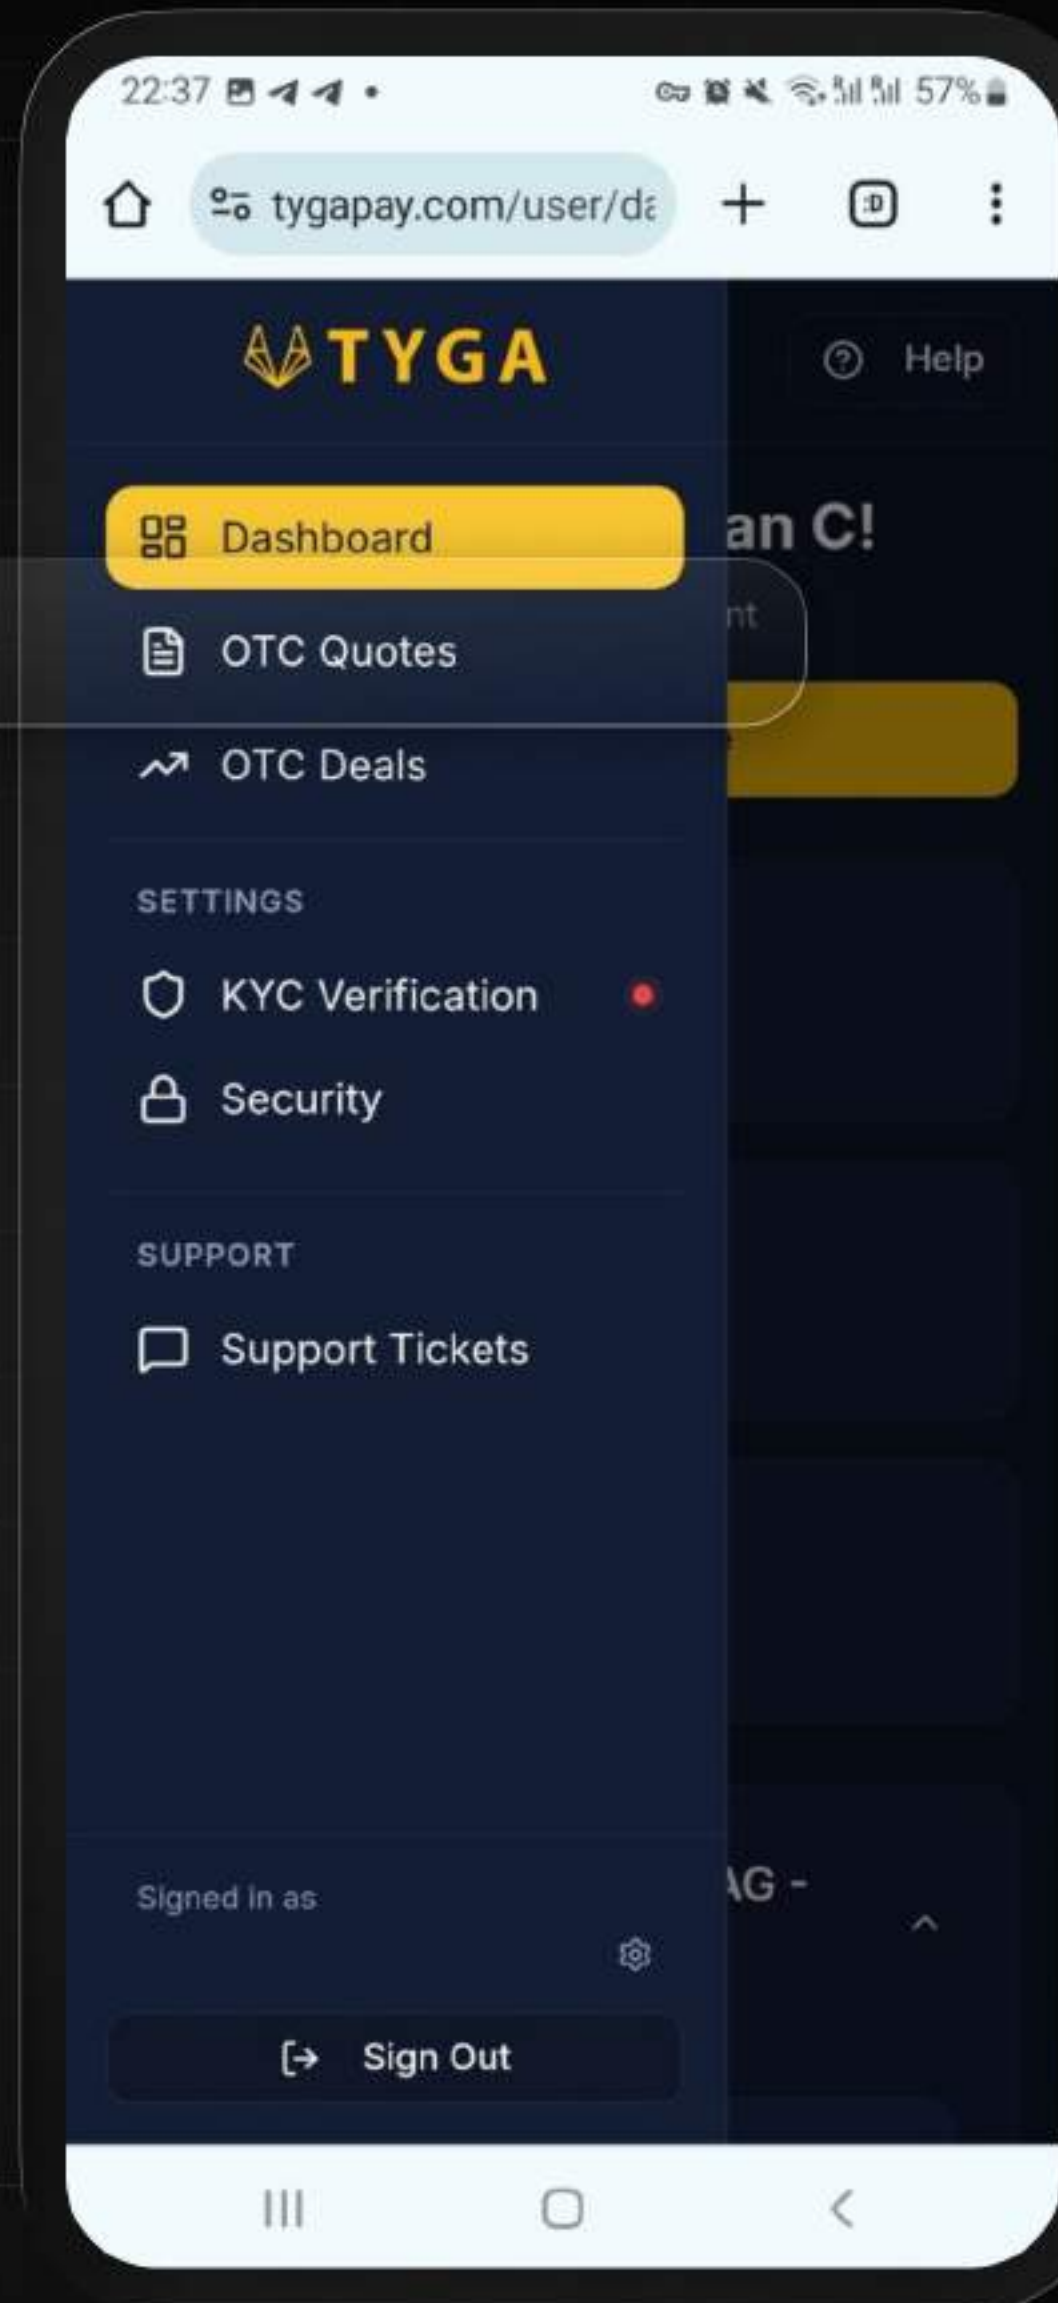

Congratulations, your account is ready.

Now we begin the process you will repeat every time you buy USDT.

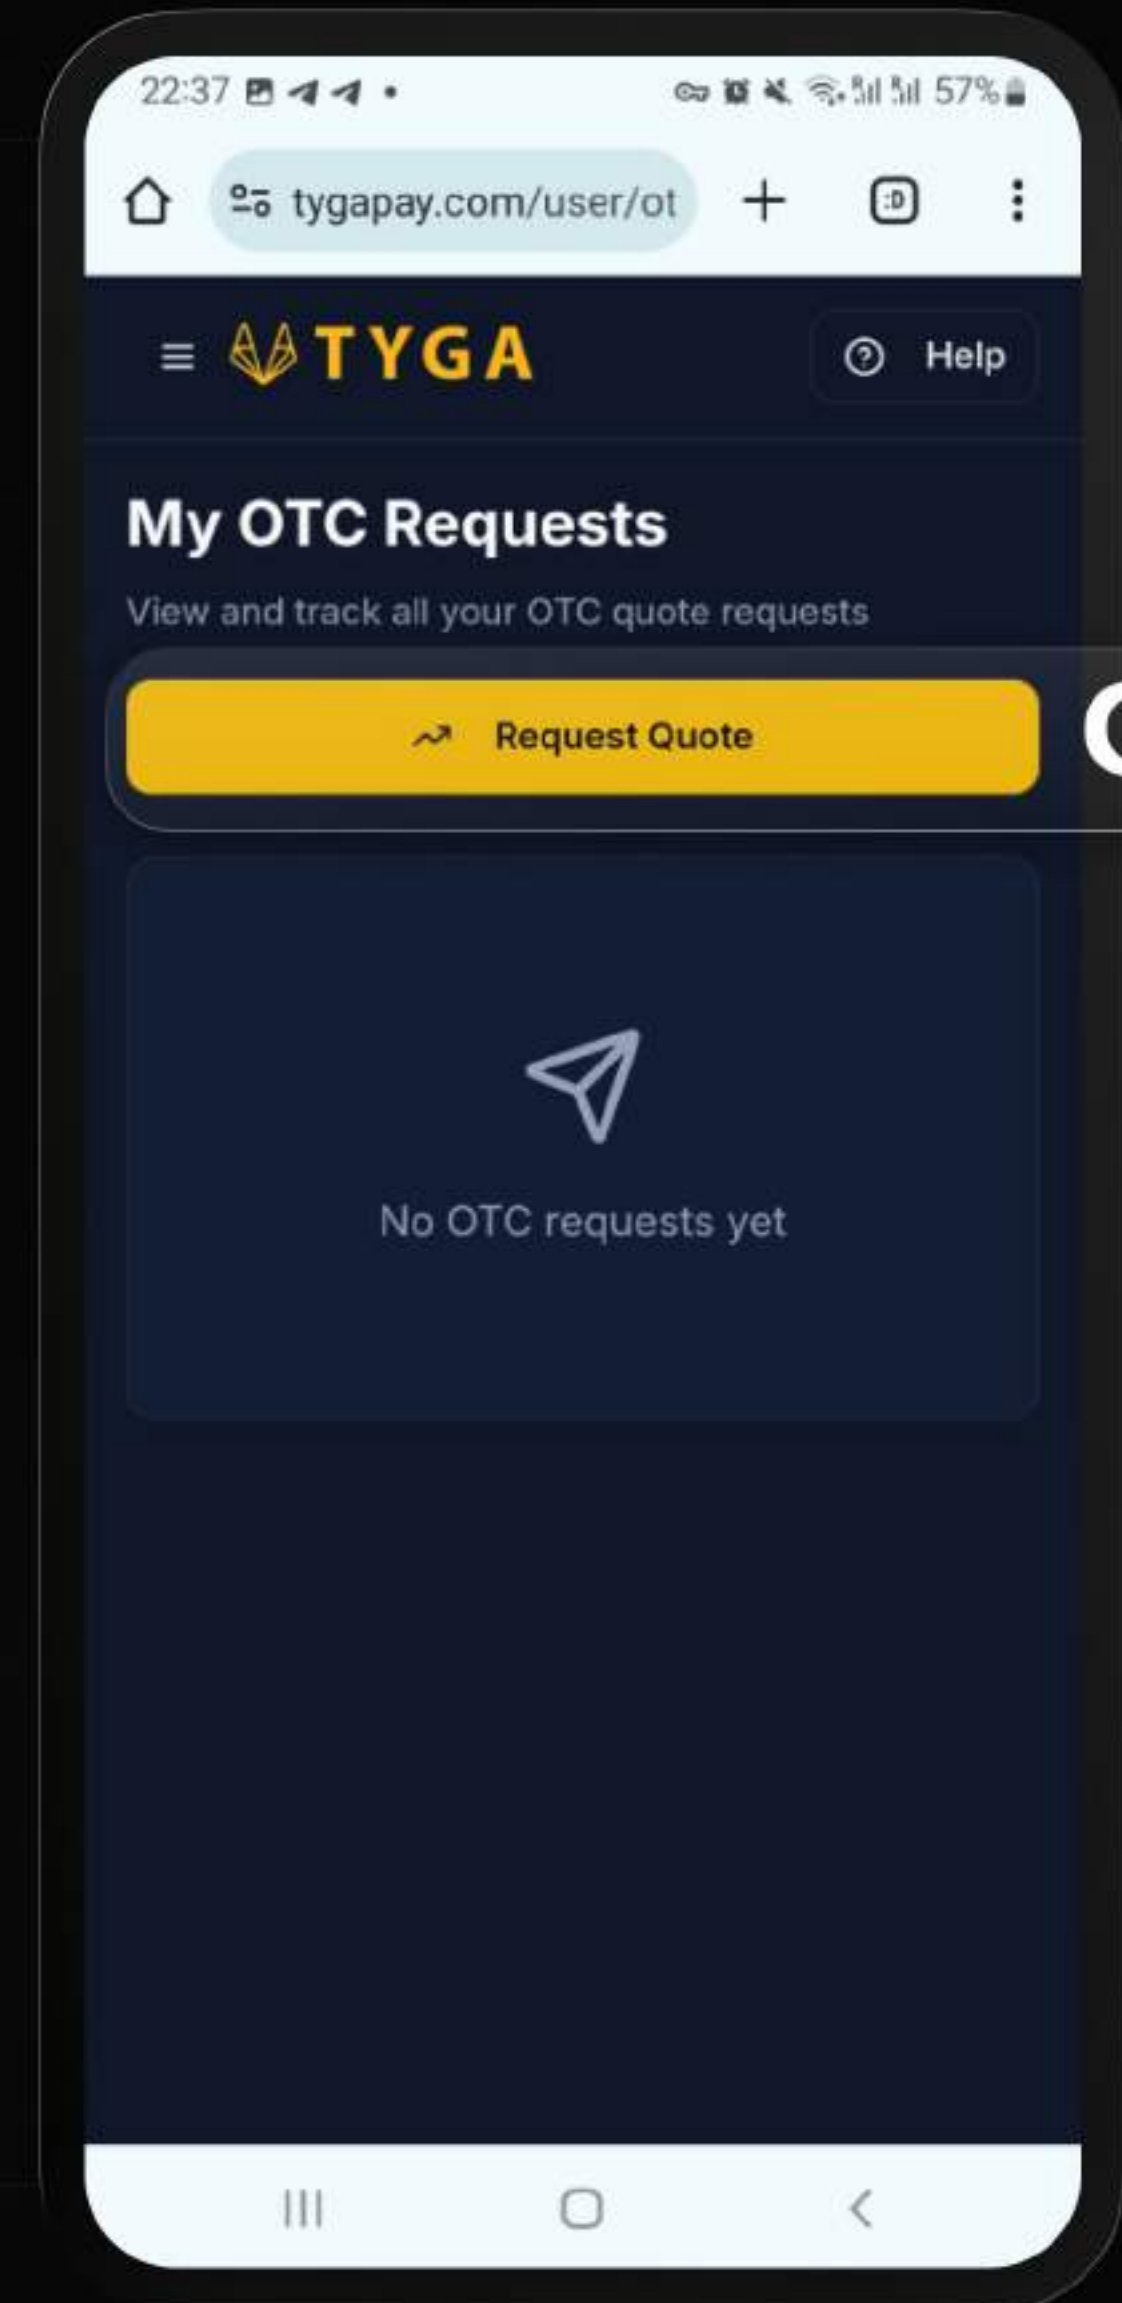

**01** Click “OTC Quotes”  
in the left-side menu.

**02** Click “Request Quote”  
(yellow button at the top).

02

## STEP 10 — Create your buy order

**01** Your full name and email will be filled automatically.

**02** Enter your phone number.

**03** Leave “**Company/Organization**” empty.

**04** Make sure “**Trade Type**” is “**Buy Crypto**”.

**05** Make sure “**Cryptocurrency**” is “**Tether USDT**”.

**06** Enter the amount — make it **\$20 higher** than your Founders or Token Pack price to cover fees.

**07** In “**Fees paid out of**”, select “**Source — add fees to payment**”.

The image displays two mobile phone screens side-by-side, showing the 'Request OTC Quote' form on the tygapay.com website. The left screen shows the initial form fields, and the right screen shows the 'Fees paid out of' section.

**Left Screen (Steps 01-03):**

- 01** Request OTC Quote (Title)
- 02** Full Name \* (Field)
- 03** Email \* (Field)
- Phone Number \* (Field)
- Company/Organization (Field)
- Trade Type \* (Dropdown: Buy Crypto)
- Cryptocurrency \* (Dropdown)

**Right Screen (Steps 04-07):**

- 04** Trade Type \* (Dropdown: Buy Crypto)
- 05** Cryptocurrency \* (Dropdown: Tether (USDT))
- 06** Trade Amount (USD) \* (Field: \$500 minimum)
- 07** Fees paid out of (Section with two options: Source (Add fees to payment) and Destination (Deduct from amount))
- Any specific requirements or questions... (Text area)
- Submit Request (Yellow button)
- Cancel (Text link)

## STEP 11 — Review and submit

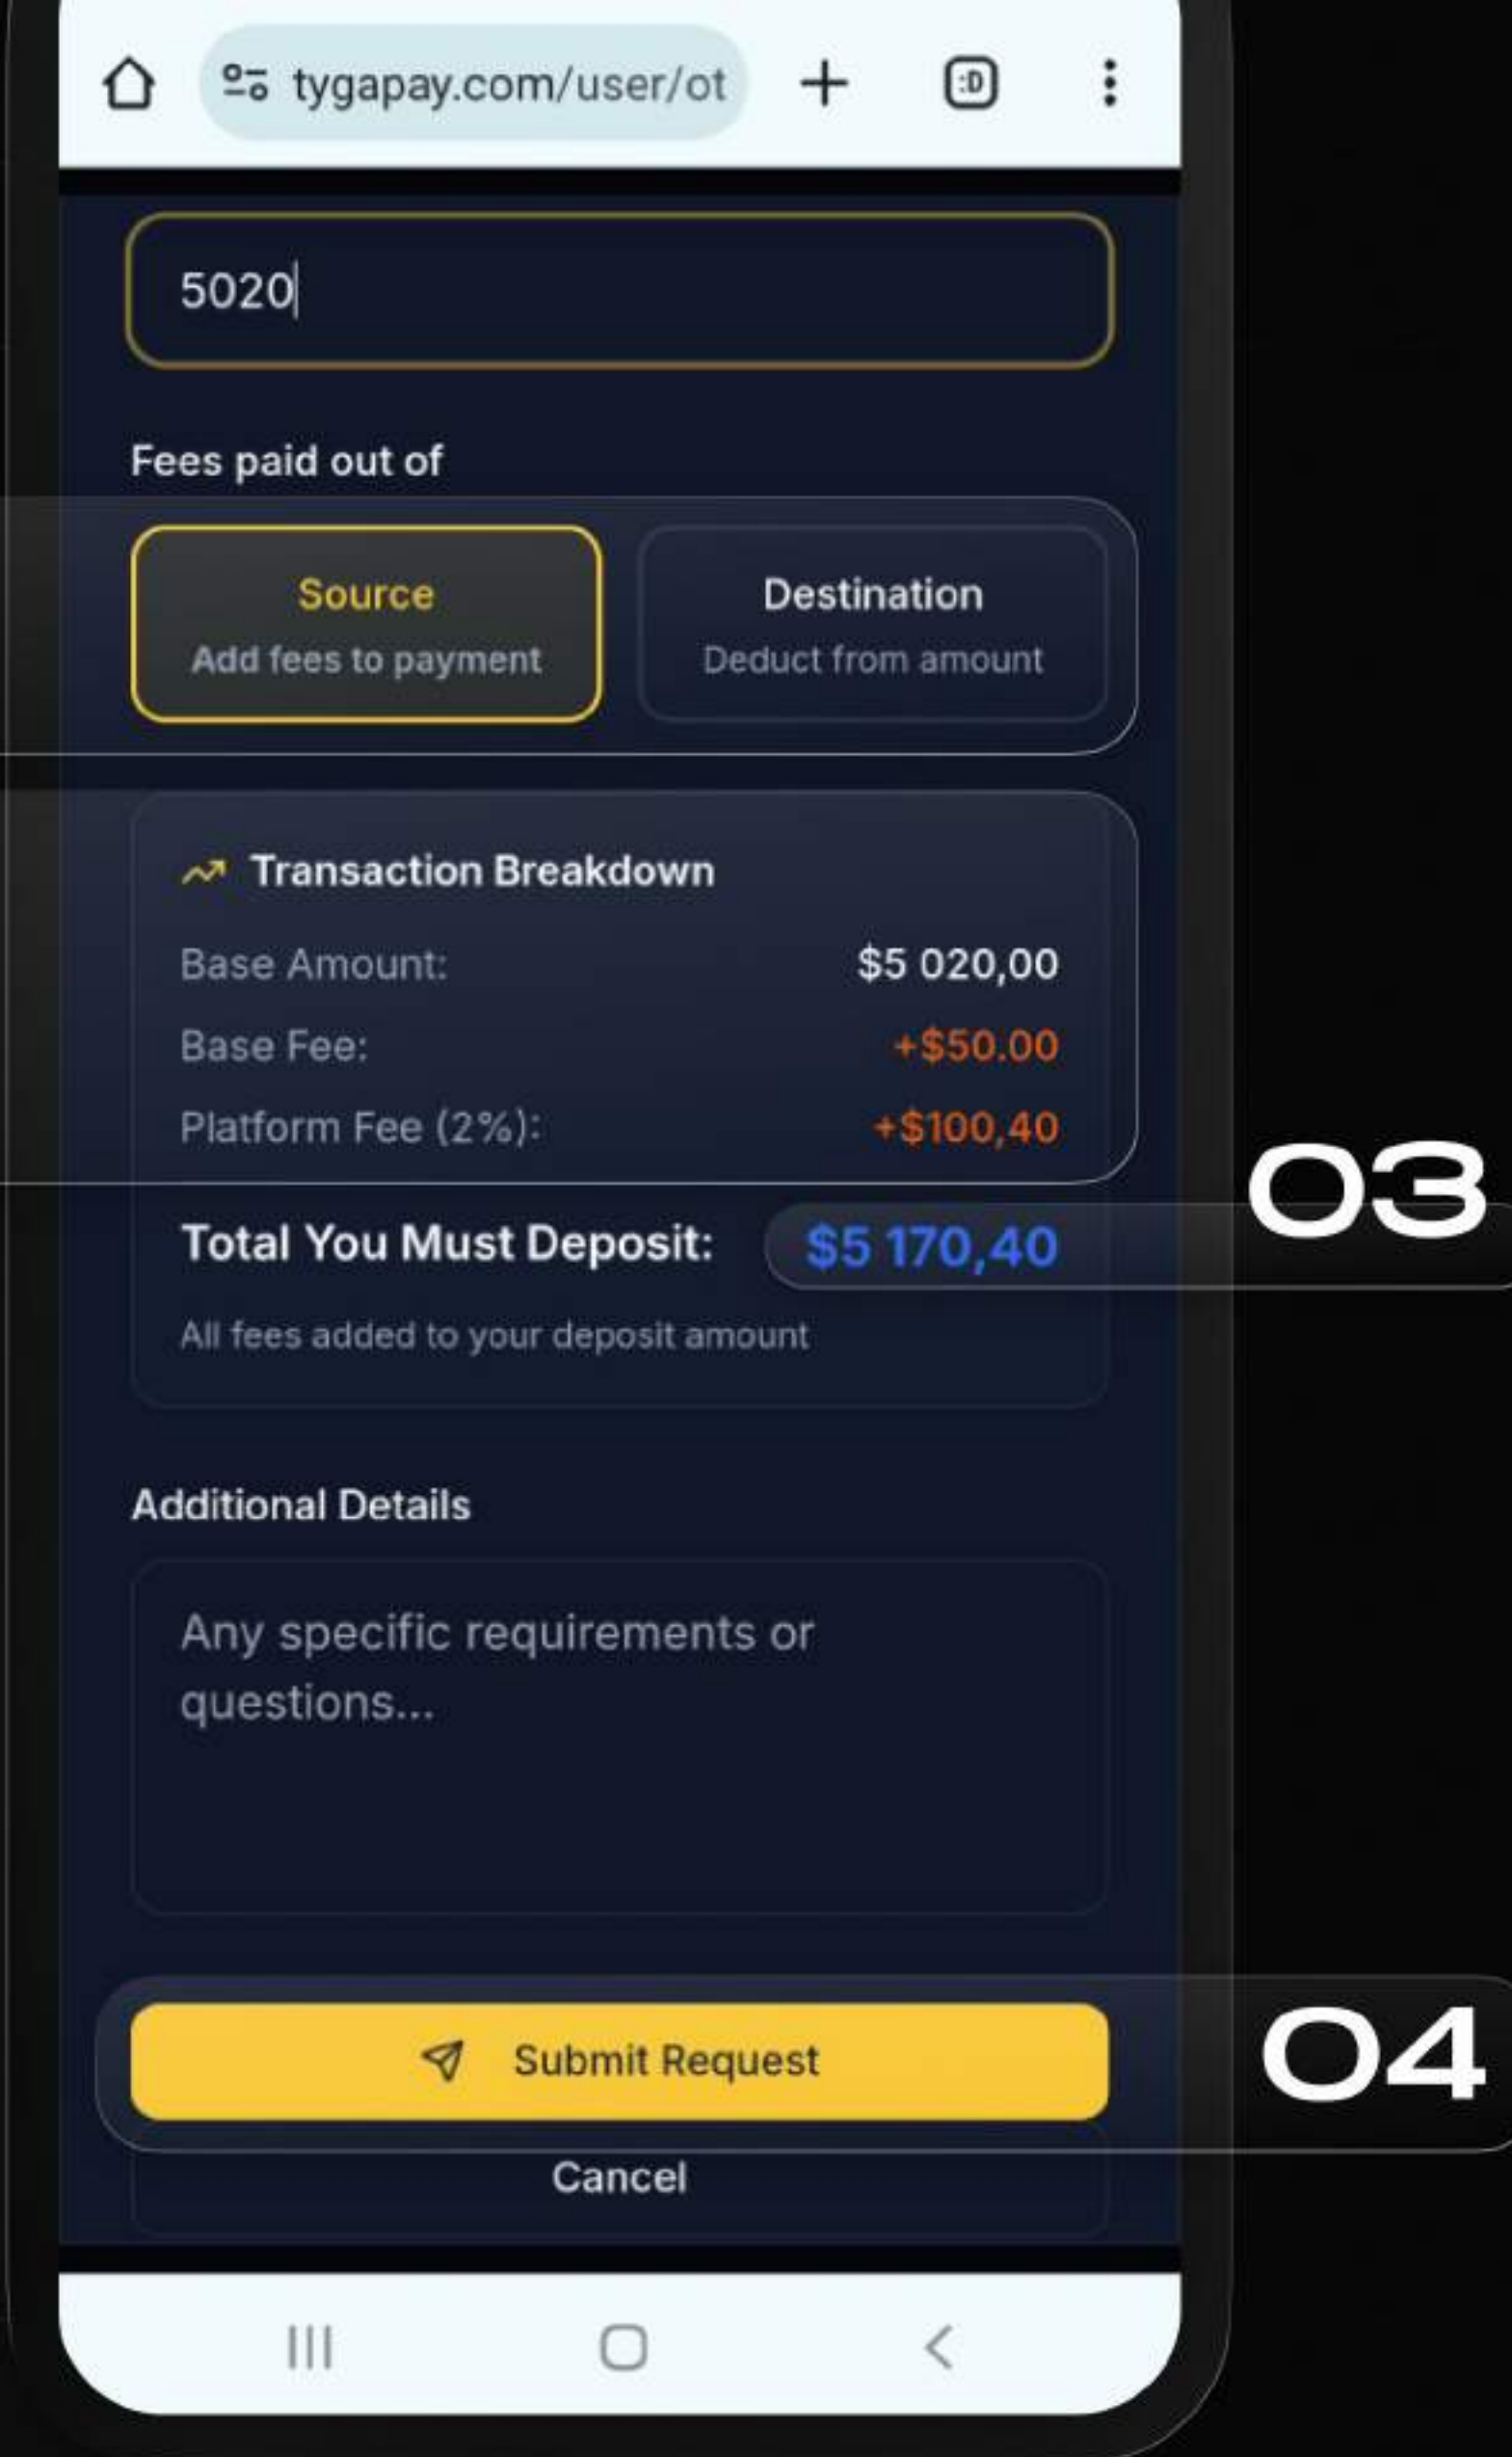

**01** Make sure “**Source**” is selected in “**Fees paid out of**”.

**02** Review the **Transaction Breakdown**.

**03** At the bottom you will see the total amount to pay, highlighted in blue.

**04** Click “**Submit Request**” (yellow button at the bottom).

**Fees:** \$50 fixed fee + 2% of the transaction amount.

The screenshot shows a mobile web interface for tygapay.com/user/ot. At the top, a text input field contains the number 5020. Below this, under the heading "Fees paid out of", there are two buttons: "Source" (highlighted with a yellow border and labeled "Add fees to payment") and "Destination" (labeled "Deduct from amount"). A section titled "Transaction Breakdown" lists the following amounts: Base Amount: \$5 020,00; Base Fee: +\$50.00; Platform Fee (2%): +\$100,40. The "Total You Must Deposit:" is displayed in blue as \$5 170,40, with a note "All fees added to your deposit amount". Below this is an "Additional Details" section with a text area for "Any specific requirements or questions...". At the bottom, there are two buttons: a yellow "Submit Request" button and a grey "Cancel" button. The interface is annotated with four numbered steps: 01 points to the "Source" button, 02 points to the "Transaction Breakdown" section, 03 points to the "Total You Must Deposit:" amount, and 04 points to the "Submit Request" button.

## STEP 12 — Accept Quote

Go to the **“My OTC Requests”** section.

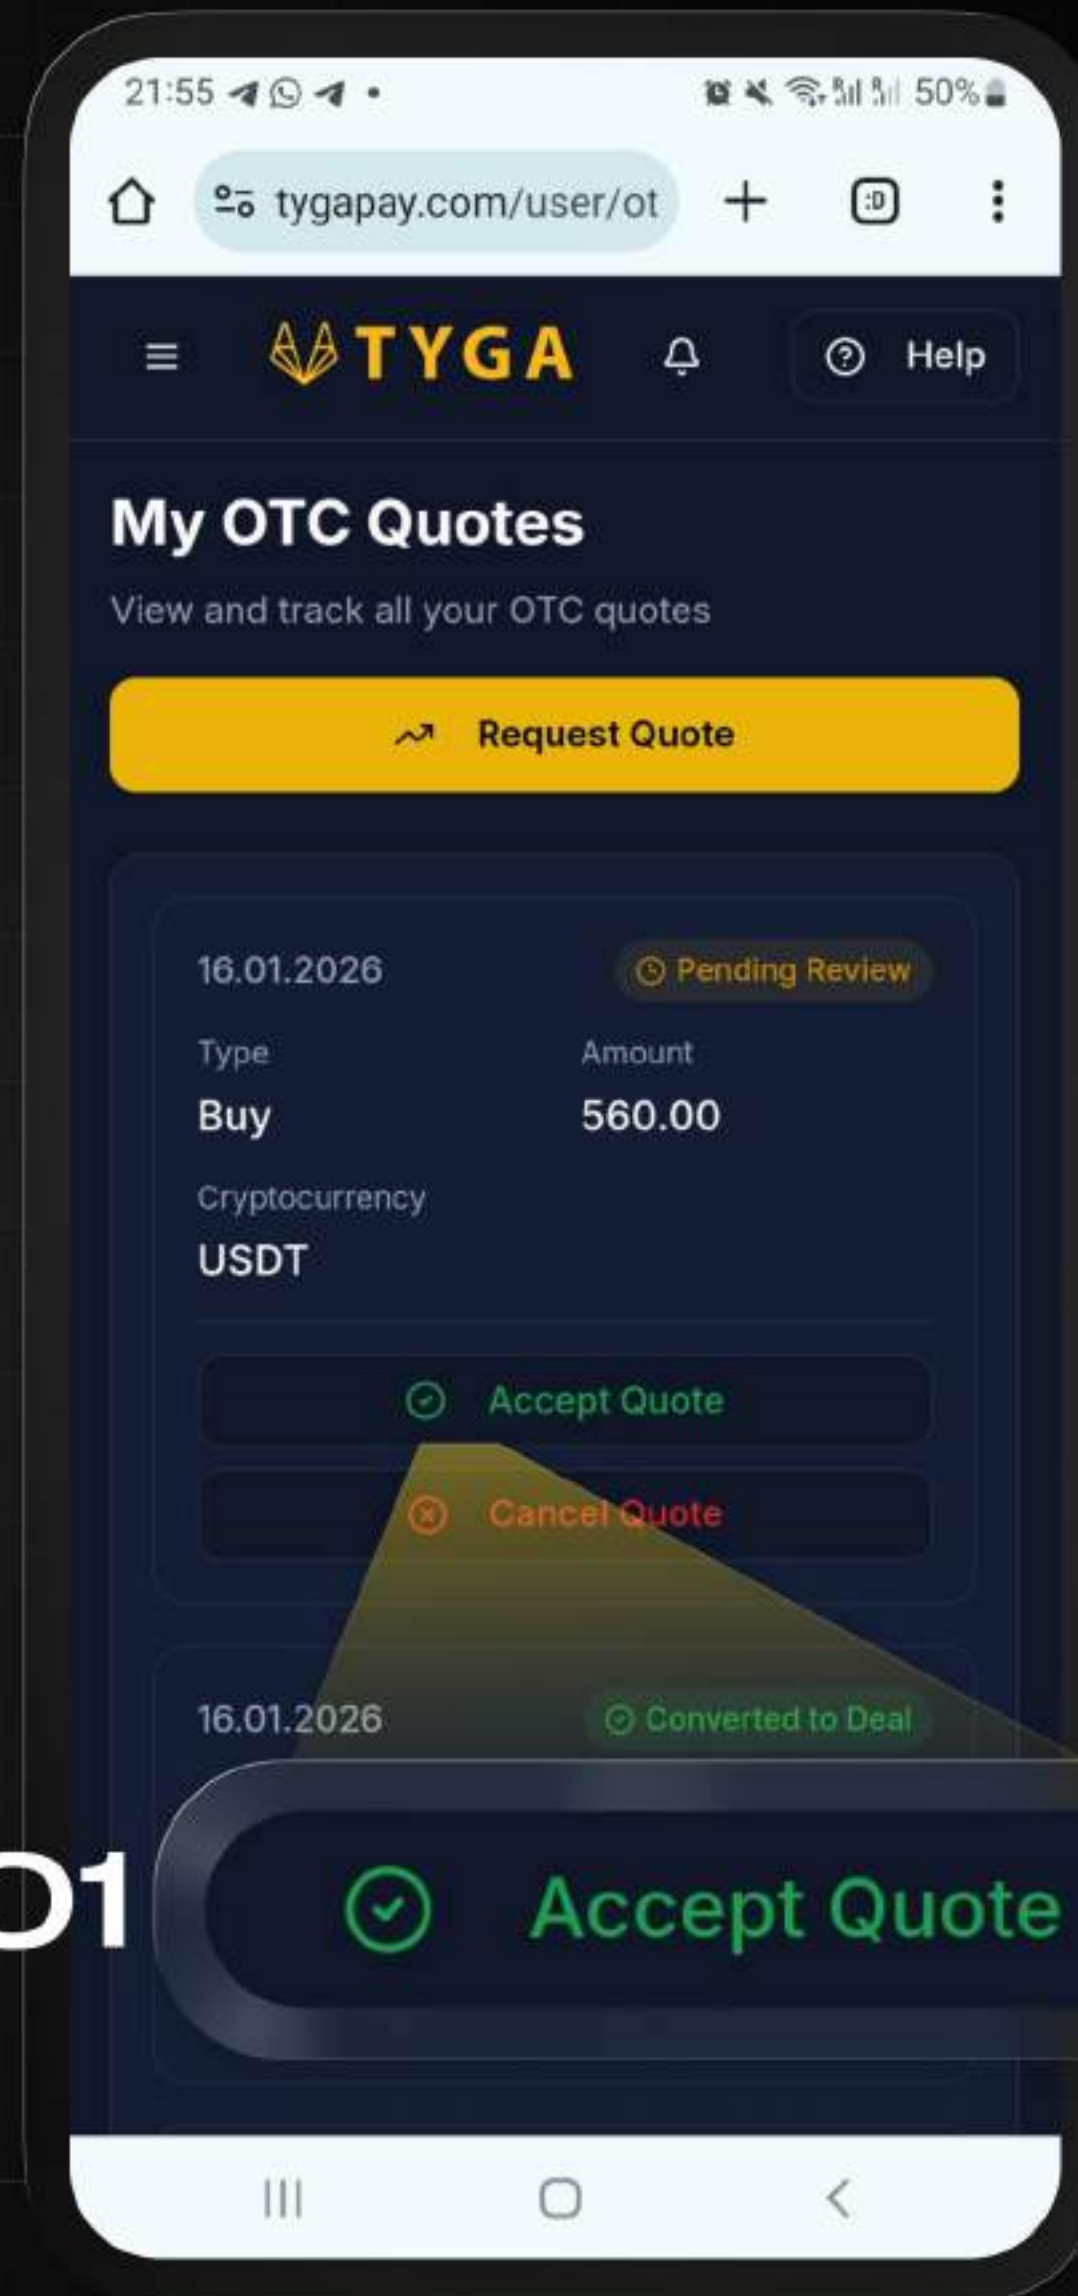

**01** Click on the **“Accept Quote”** on the Quote that you just created.

**02** Click on the green **“Confirm & Accept Quote”** button underneath the fee information.

### **Note:**

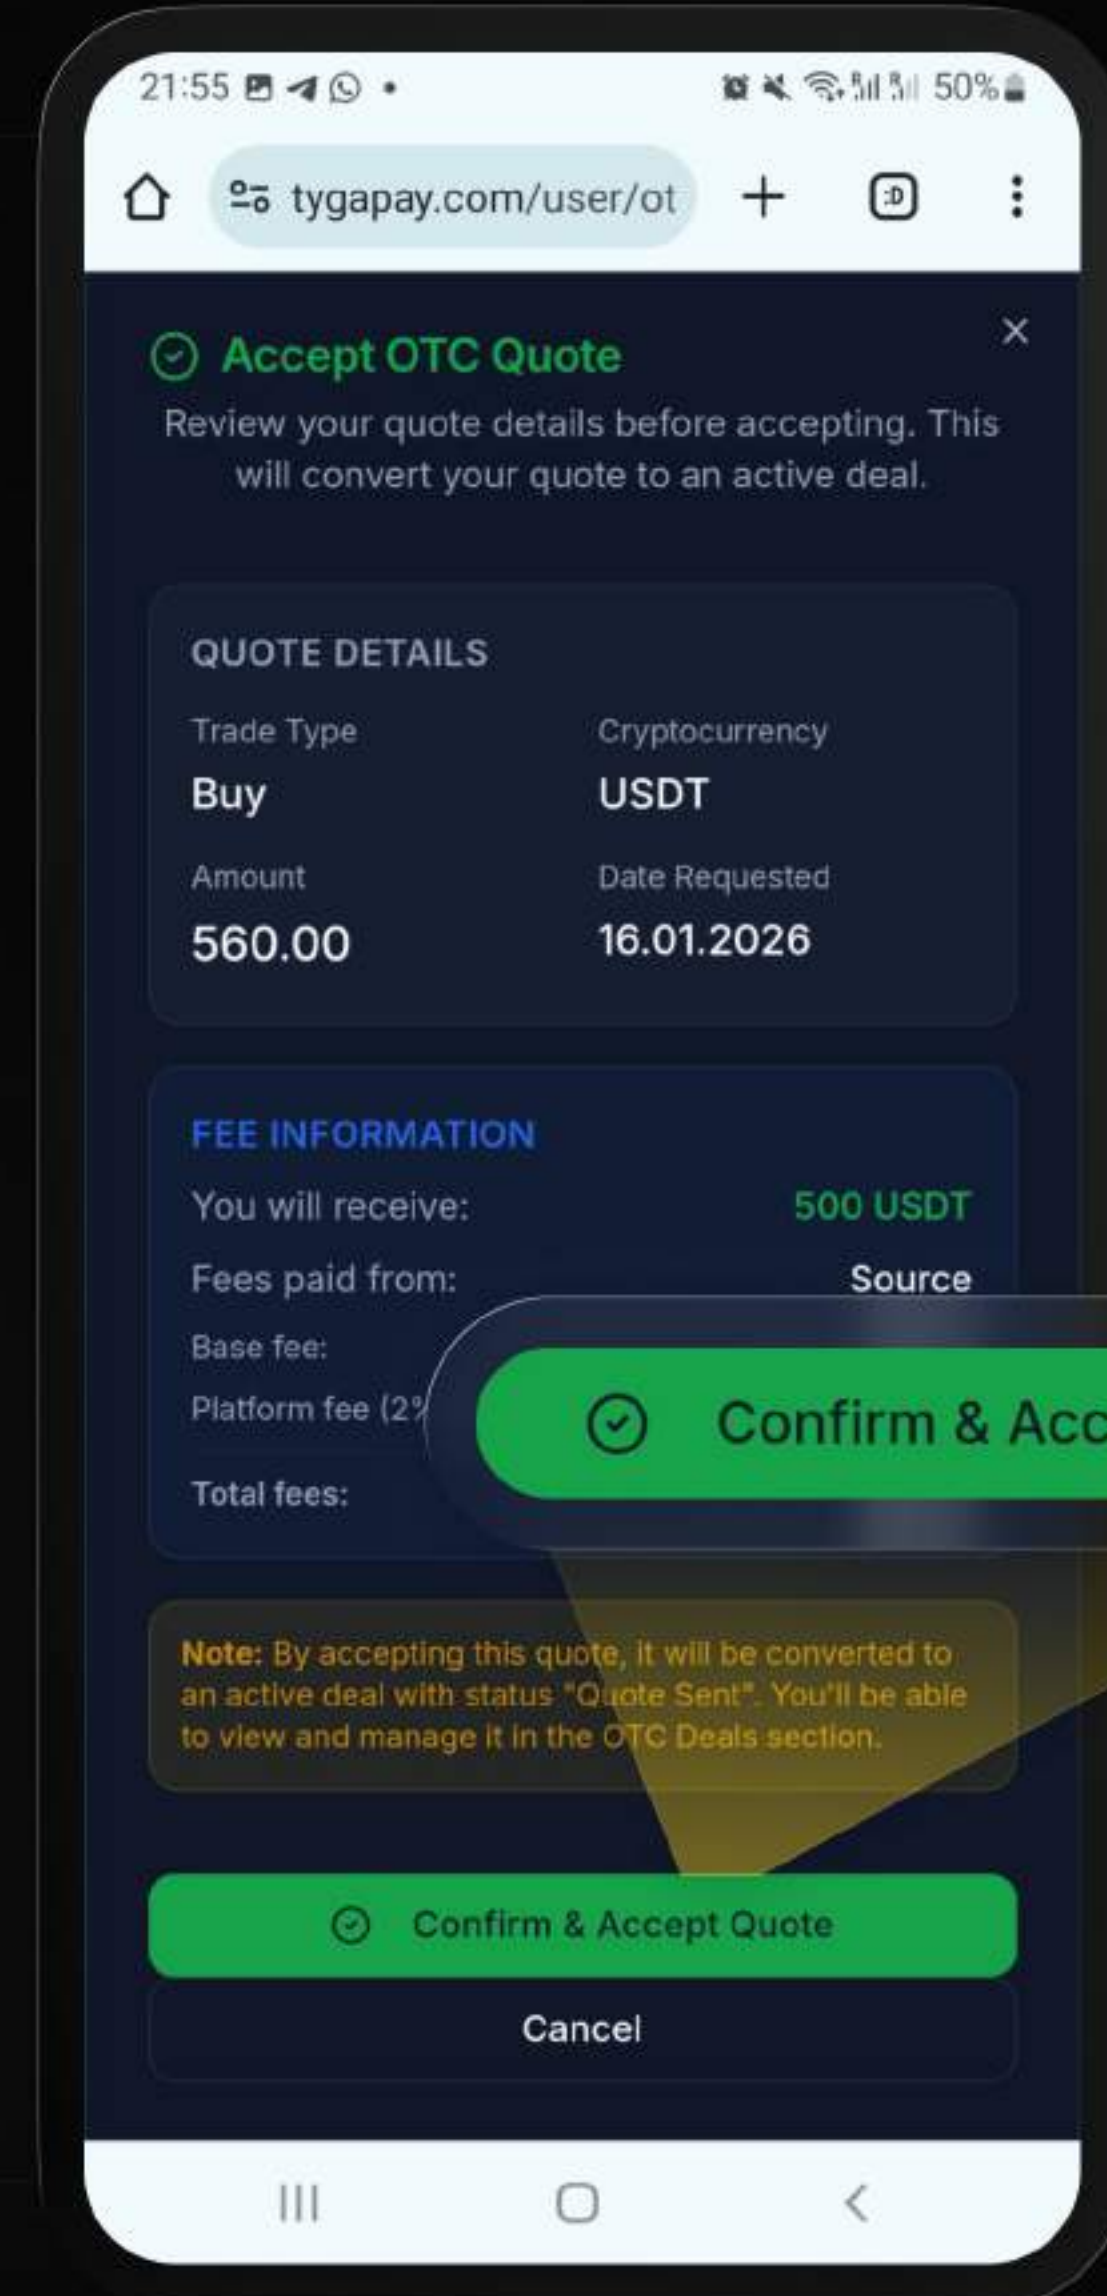

You can go through the KYC verification process later. The only rule is that USDT will be deposited to your TronLink wallet only after finishing the KYC verification. Wire transfer can be done before KYC.
